PICK A GAME

Timeline classic	The original: one player at a time, steal tokens	
Year Rush	Guess the year, fastest and closest wins	
Timeline, everyone at once	Everyone places the same song at the same time on one shared timeline	Good fit

TIPS

- Look through the deck first: songs are real recordings and there is no age filter, so you decide what plays.
- In the lobby settings, the Classroom section has a nickname filter, and the x next to a name removes a player.
- Songs play on the classroom computer only, so turn its sound on and test it.
- A student without a device can share one and play as a pair under one nickname.
