PICK A GAME

Timeline classic	The original: one player at a time, steal tokens	
Year Rush	Guess the year, fastest and closest wins	
Timeline, everyone at once	Everyone places the same song at the same time on one shared timeline	Good fit

TIPS

- Connect the laptop to the sound system and test the songs before the guests arrive.
- A game where everyone plays at once suits a big crowd, because nobody waits for a turn.
- Guests only need a phone and a nickname. No account, no email.
- Look through the deck first: the songs are real recordings and there is no age filter.
