PICK A GAME

Timeline classic	The original: one player at a time, steal tokens	
Year Rush	Guess the year, fastest and closest wins	Good fit
Timeline, everyone at once	Everyone places the same song at the same time on one shared timeline	

TIPS

- Connect the laptop to the speakers and test the volume before the doors open.
- Choose a decade deck that suits the crowd, and look through the songs first: there is no explicit-song filter.
- For teams, give each team one phone and let the team name be the nickname.
- Names are not checked unless you switch on the nickname filter in the lobby settings. The x next to a name removes a player.
