Timeline classic	The original: one player at a time, steal tokens	
Year Rush	Guess the year, fastest and closest wins	Good fit
Timeline, everyone at once	Everyone places the same song at the same time on one shared timeline	

TIPS

- Songs play only in the host browser tab. Add that tab's sound to your stream or call, or viewers hear nothing.
- A stream delay eats into the answer time, so choose the longest time limit.
- There is no overlay, chat bot or member check. You decide who plays and can remove a player with the x.
- Hitify gives no broadcast licence. Check the music rules of your platform.
